

Campus Overview

- **Name:** BUITEMS Sub Campus, University College of Zhob (UCoZ)
- **Director:** Dr. Abdul Salam Lodhi
- **Establishment Date:** Classes officially commenced on **April 10, 2018**.

Mission and Objectives

- **Primary Objective:** To provide quality education to the students of Zhob and its adjoining, less-developed areas, aiming to reduce poverty and inequality while improving socio-economic development.
- **Development Strategy:** The campus is being developed in two stages:
 - **Stage 1:** Started providing education in a temporary building with essential facilities.
 - **Stage 2:** Transitioning to a permanent campus equipped with necessary infrastructure and allied facilities.
- **Core Philosophy:** Focuses on human capital formation, research, and the creation of problem-solving knowledge. The goal is to transform youth into human capital to catch up with developed nations and contribute to the region's socio-economic uplift.

Academic Programs Offered

The University College of Zhob currently offers the following undergraduate (BS) programs:

1. **BS Education** (Faculty of Social Sciences & Humanities - FSSH)
2. **BS Computer Science** (Faculty of Information & Communication Technology - FICT)
