

Department Overview

- **Department Name:** Department of Public Administration
- **Faculty:** Faculty of Management Sciences
- **Core Professional Focus:** Focused on preparing students for careers as administrators, managers, and leaders in government departments and nonprofit organizations. The curriculum builds competencies in organizational leadership, public policy formulation/implementation, fiscal administration, program management, and political advocacy.
- **Academic Value:** Combines analytical theory with practical governance application, equipping future public office bearers with research, management, and communication skills. It also serves as a preparatory program for advanced graduate studies.

Bachelor of Science in Public Administration (BS Public Administration)

Admission Requirements

- **Academic Background:** Intermediate (F.A. / F.Sc.) or a Grade 12 equivalent qualification in either Science or Arts branches from any recognized board.
- **Testing:** Candidates must clear an entrance exam, achieving a minimum cumulative score of **50%**.

Degree Requirements

- **Total Credit Hours:** 135
- **Total Courses Required:** 42 – 45
- **Minimum Academic Standing:** CGPA $\geq$ 2.0
