

BUITEMS Undergraduate Prospectus 2025

Faculty of Engineering & Architecture

- **UAN:** 111-717-111 (ext. 216)
- **Website:** www.buitms.edu.pk
- **Email:** admissions.faq@buitms.edu.pk
- **Certifications & Memberships:** ISO 9001:2015 TUV Certified, ASQ, The Association of Commonwealth Universities
- **Tagline:** Quality and Excellence in Education

Disclaimer

Every effort has been made to ensure that the information in this Undergraduate Prospectus 2022-23 is correct at the time of printing. The Faculty of Engineering & Architecture BUITEMS, however, reserves the right to make changes wherever and whenever necessary. In the event of inconsistency between the information contained in this prospectus and the BUITEMS's regulations or programs, or where an interpretation of the prospectus is required, the decision of BUITEMS shall be final. The prospectus does not form any part of a contract between any person and the Institute.

BUITEMS Explained

BUITEMS has given a new vision and a distinct meaning to education. Its guidelines for academic achievements are comparable to those of the most renowned institutions of the world.

Our Vision

We are committed to provide quality education with a focus on research and to equip students with the art of living as productive members of the society, contributing to the socio-economic uplift of Pakistan in general, and Balochistan in Particular.

The University

Standing as the prestigious and leading university centered in Balochistan influencing the future with academic excellence BUITEMS is defined by its quality and rigour in education and applied research.

BUITEMS has five faculties and each faculty is comprised of many departments. The Faculty of Engineering & Architecture (FoE&A) has eight departments. The University through the offices of the Dean/HODs, Registrar, Controller of Examinations and the Directorates helps in maintaining a conducive environment for teaching and Learning. All these offices along the faculty & students work as team.

Our Programs

BUITEMS transformative & innovative education system provides a wide range of academic programs spanning comprehensive areas of engineering, sciences and arts. It also provides multi-disciplinary and cross-faculty learning opportunities.

BUITEMS offers a diverse and comprehensive choice of courses in five faculties with a range of undergraduate and graduate programs. We motivate our students to explore their interests, discover their talents and pursue their passions for creating and discovering their own BUITEMS experience.

BUITEMS Structure

BUITEMS quest for academic excellence is based on five fundamental pillars: the students, the faculty, the curriculum, the learning environment and the civil society we serve. We stand committed to follow all statutory requirements in our academic offerings not only in following the standards but also to set new Records of Excellence.

We provide great learning opportunities for our students. We have considerably personalized teaching methods for our students with effective supervisions. As a research-intensive institution with a commitment to provide high-quality education, BUITEMS ensures an academically rigorous and stimulating experience for its students. Highly-qualified faculty members, equipped labs and well-structured programs at BUITEMS provide a great learning experience in the undergraduate and graduate degree programs.

The Faculties' Responsibilities

- Design the curricula.
- Organize lectures, seminars, practicals, and projects.
- Arrange examinations & mark papers.
- Maintain academic excellence and professionalism.
- Provide an environment conducive to learning, teaching, academic inquiry, and innovation.

Candidate Expectations

We are looking for individuals who are willing to contribute in the field of science, engineering and arts. We strongly encourage all applicants to choose fields of study which truly interest them. We are looking for students who:

- Have a strong academic potential.
- Have a strong interest in the fields they are applying for.
- Will benefit from and grow in the BUITEMS environment.

Academic Potential

We are looking for students with a compelling academic background and potential. This should be reflected in past qualifications and the entry test. BUITEMS expects its students to excel further in terms of academic performance. Therefore, the student has to aim at an excellent cumulative grade point average (CGPA) throughout the degree program.

Interest in Your Field of Study

At BUIEMS, we are looking for students who are truly excited about the field of study they have chosen and want to make that field their career path. We firmly believe that academic excellence can only be achieved when the student is motivated by his or her field of study; we believe that learning comes through stimulation and interest. Therefore, we strongly advise you to think carefully when you choose your field of study.

Self-Motivation

We are looking for students who are self-motivated and who can think critically. We are looking for students who can understand the model of higher learning where a student is required to study and work independently in addition to classroom learning. If you believe you can excel in higher learning, you need to be self-motivated, self-disciplined, and have a desire to learn.

Applying to BUIEMS

Four Simple Steps

1. **Choose a Field:** You will be studying a particular field (also called a major) for several years. Therefore, you should make sure that you choose a field that interests and excites you.
2. **Fill Form:** Fill out the admission form available by visiting buiems.edu.pk/Admission or the admissions office at the campus. Submit the form online or at the admissions office along with the requisite documents and the bank receipt of the admission processing fee.
3. **Take Test:** Eligible students are invited to the NTS admissions test. The test is conducted on the NTS standard test for a given major.
4. **Secure Admission:** Admission will be offered based on the merit calculated from the marks scored in Matric, Intermediate, and the NTS admission test.

Calculating the Merit

Merit is based on a cumulative weight of:

- 20% for the marks scored in the Matriculation examination.
- 50% for the marks scored in the Intermediate examination.
- 30% for the marks scored in the NTS admissions test.

How Do I Apply?

You can apply through the online BUIEMS admissions system. Download and print the application form. Attach all relevant documents and the receipt of the application processing fee with the application. Send the complete application to the BUIEMS admissions office. Make sure that the hard copy of your application reaches the admission office before the closing date.

Entry Requirements

Entry requirements for undergraduate and graduate programs are available in the Disciplines and Departments section of this prospectus.

Supporting Documents Required

- Attested copy of Secondary School Certificate.
- Attested copy of Higher Secondary School Certificate.
- Attested copy of the Applicant's CNIC/B-form.
- Attested copy of Local/Domicile.
- Bank draft/pay order/receipt of online application processing fee.
- Six recent photographs (passport size).
- Attested copy of CNIC of the applicant's father/guardian.
- Attested copy of Character Certificate from the last institute attended.

Payment Options

The application processing fee is Rs. 3500 for national applicants and US \$75 for foreign applicants. These amounts are non-refundable and must be deposited on or before the last date of application submission. You can avail one of the following options to deposit the application processing fee:

- Bank draft/pay order drawn in favor of Registrar BUIITEMS, Quetta.
- Cash deposited in Account Number: 23587000000201, Habib Bank Ltd, BUIITEMS University branch, Quetta, Pakistan.
- *Note:* Only candidates with complete applications will be issued an admit card for the admission test.

Next Steps

Applicants will be called to take the admission test. The admit card for the test will be issued. In case of non-receipt of the admit card, the admission office may be contacted. Candidates without the admit card will not be allowed to take the test/interview.

Document Mailing Address

Post your supporting documents and hardcopy of the Admission Form along with the bank draft/pay order to:

- **Address:** Admissions Office, BUIITEMS, Takatu Campus, Airport Road, Baleli, Quetta.
- **UAN:** +92 81 111-717-111
- **Other lines:** +92 81 2880560 / 2880136
- **Extensions:** 163, 216, 217

International Students

We, at BUIITEMS, believe that diversity brings innovation. We highly encourage international students to apply for admission at BUIITEMS. Many international students from different parts of the world are enrolled in various study programs at BUIITEMS.

The eligibility requirements for international applicants are the same as for applicants from within Pakistan. An applicant for transfer from a local or foreign institution is required to have passed the BUIITEMS admission test by securing equal or more marks than the minimum merit of the program in which the student seeks admission. However, acceptance of requests for transfer will depend on the availability of seats and the quality of academic work already done by the applicant.

As a BUIITEMS student, you will be part of one of the nation's largest engineering, sciences, and art schools. BUIITEMS is a community known for its excellence—a student body of more than 10,000 and faculty from the world's leading institutions. You are advised to look up full details on individual fields of study, credit hours, and research aspects so as to get the maximum out of your chosen field of study.

Frequently Asked Questions

What is the duration of a program at BUIITEMS?

The duration of BS programs is four years, equally divided into eight semesters. However, the B. Arch program is spread over five years (ten semesters). Each semester is 18 weeks long (16 weeks for teaching, and two weeks for the conduct of midterm and final examinations). The duration for completion of the MS program is 2 years from the date of enrollment.

How can I change the program of study at BUIITEMS?

Change of academic program is generally not encouraged. However, it may be allowed on the recommendation of the Chairpersons concerned and approval of the Dean(s), within the first two weeks of the first semester, subject to the fulfillment of eligibility criteria and availability of a seat. The merit of the student has to be above the merit of the last student admitted into the program to which transfer is desired.

Can I freeze a semester?

Freezing is not allowed in the first semester of a program. A student shall be allowed to apply for freezing of at most two semesters in his/her entire program of study, after the first semester.

What is the limit of courses in a single semester?

A student is required to take 15–18 credit hours of course work per regular semester. However, the Chairperson of the department may allow a maximum of 21 credit hours of course work in one semester with the approval of the Dean.

What is a probation period?

Whenever a student's CGPA falls between 1.0 and 2.0, he/she shall be put on the first probation for the next semester.

- If the student fails to raise the CGPA to 2.0 or above, he/she shall be placed on second probation for the next semester.
- If the student who was earlier on second probation fails to raise the CGPA to 2.0 or above, he/she shall be placed on the last probation.
- If the student fails to raise the CGPA to 2.0 or above in the last probation, he/she shall be dropped from the university rolls.
- For undergraduate and MS programs, a minimum of 2.0 and 2.5 CGPA respectively, is required to pass out.

What are the different financial assistance options at BUIITEMS?

The BUIITEMS Fee Concession & Scholarship Policy includes the following aspects:

- Merit scholarship (available after the first semester)
- Work and study program
- Fee concession for needy students
- Fee concession for siblings
- Fee concession for dependents of BUIITEMS employees
- Fee in installments
- USAID need-based scholarship
- *Contact:* University Advancement and Financial Assistance Office for more information.

Student Life

Life at BUIITEMS is a "work hard and have fun" culture. As members of the BUIITEMS family, the students, faculty, and staff enjoy an exciting, vibrant, and colorful life. From high-class academic lectures and laboratory experiments to exciting sports, art events, and service projects, there are always great things happening on campus.

Events and Fests

From the one-of-a-kind cultural festivals on campus to accomplished student performances in theatre, arts, and culture, student affairs plays a leading role in life at BUIITEMS. Student affairs comprises more than twenty student clubs and organizations that continuously provide fuel for a constructive social life.

The Olympiad

The annual Olympiad marks the culmination of athletics and sports at BUIITEMS. The Olympiad is a week of non-stop sports and athletics competitions in more than fifteen sports categories with over one thousand athletes participating from among the staff and students.

Community Service

BUIITEMS family members have a very special motivation for social service and contributions to society. The students and staff contribute to elementary education for child laborers under the

Free Citizen Schools, an organization formed by the staff and students of BUIITEMS. Through the organization, students directly educate young children who labor to meet the financial needs of their families.

Continuous Buzz

BUIITEMS enhances the ability of students and staff to reach their fullest potential through diverse academic, personal, and professional development experiences. We foster a welcoming, stimulating campus life environment where students and staff develop intellectually, experience meaningful co-curricular opportunities, practice civic responsibility, model intercultural and interpersonal understanding, and promote health and well-being.

Sports

Whether you're a world-class athlete or new to exercise, BUIITEMS has the facilities and expertise to keep you motivated. There are more than 3,000 members of the sports facilities, and approximately 1,000 students participate in different sports tournaments inside and outside the province. BUIITEMS offers a range of services to support talented athletes in training, as well as sports bursaries and funds for team participation in inter-university championships and tournaments.

Sports Facilities Available

BUIITEMS provides some of the best sports facilities in the country. The newly constructed sports complex acts as a central hub for recreation. Available facilities include:

- Multi-purpose sports complex (venues for basketball, handball, badminton, table tennis, and volleyball)
- High-class gym and fitness center (separate facilities for females)
- Swimming Pool
- Bowling Club
- PCB-standard cricket stadium (operated with the support of the Pakistan Cricket Board, hosting regular regional tournaments)
- High-class, lush green football ground
- Basketball courts

Facilities and Resources

BUIITEMS is committed to connecting students with the right resources, spending millions on equipment and academic support services to create a quality environment.

Libraries

With over 40,000+ books, the BUIITEMS central library system supports the passion for reading. Both campuses house one central library each alongside a number of small departmental libraries. The libraries provide students with free access to digital resources, augmented by a state-of-the-art automated library management system that assists in searching and locating books from anywhere on campus. The digital library service places a treasure of research journals and millions of publications at students' fingertips.

Research Center and Senior Design Labs

Located in the Sir Syed Block, the research center is a cutting-edge facility with dedicated research desks equipped with high-performance computers for graduate students. To cater to the needs of undergraduate students working on final-year projects, senior design labs provide dedicated research spaces with necessary resources customized to each discipline.

Art Galleries

Supported by the Faculty of Arts and Basic Sciences (FABS), the campus has a number of art galleries showcasing collections of modern art, including artifacts, paintings, and sculptures created by students and faculty.

NIC Quetta

The National Incubation Center Quetta is committed to supporting the youth of Balochistan to develop sustainable and impactful startup ventures in order to create jobs, revitalize the community, commercialize new technology, and strengthen the local economy.

In and Outside the City

Quetta City Characteristics

Quetta is famous for its amazing weather and beautiful fruit orchards. It is surrounded by small valleys and hills and is situated at an average elevation of 1,680 meters above sea level, making it Pakistan's only high-altitude major city. Quetta has a semi-arid climate with significant temperature variations between summer and winter.

Climate Details

Unlike eastern parts of Pakistan, Quetta does not have a heavy rainfall monsoon season.

- **Winter:** Starts in late November and ends in late March. Snow is the main form of precipitation (mostly in December, January, and February). Average temperatures sit near 4–5°C.
- **Spring:** Starts in early April and ends in late May.
- **Summer:** Starts in late May and continues until early September, with average temperatures ranging from 24–26°C.
- **Autumn:** Starts in late September and continues until mid-November, with average temperatures in the 12–18°C range.

Attractions In & Outside the City

- **Ziarat:** Located 130 km from Quetta city, Ziarat is a popular tourist destination. It features the second-largest Juniper forest in the world and houses the historic Ziarat Residency, a 19th-century wood and stone structure of English architecture where the founder of the nation, Quaid-e-Azam Muhammad Ali Jinnah, spent his last days.

- **Hanna Lake:** Situated 10 km east of the city, nestled in the hills, this turquoise lake features boat hire facilities, an irrigation dam, and a lakeside restaurant popular with hikers and campers.
- **Kharkhasa:** Located 10 km west of Quetta in a 16 km long narrow valley featuring diverse flora and fauna. The Chiltan Hill Viewpoint within the park provides a panoramic view of the city. Nearby cities of Kirani and Harnai are also popular scenic locations.
- **Museums:**
 - *Quetta Geological Museum:* Located on Sariab Road, housing rocks and fossils.
 - *Command and Staff College Museum:* Dedicated to British military history, housed in the former bungalow of Field Marshal Bernard Montgomery.
 - *Quetta Archaeological Museum:* Located on Wafa Road, showcasing rare antique guns, swords, manuscripts, Stone Age tools, prehistoric pottery, and artifacts from Mehrgarh.
- **Wali Tangi Dam:** A small dam in the Urak Valley located approximately 20 km east of Quetta. Constructed by the Pakistan Army in the early 1960s, it stores fresh water from melting snows in the Zarghoon Hills (Sulaiman Range) to supply clean water to the Urak Valley and Quetta for irrigation and consumption.
- **Hazarganji Chiltan National Park:** Located 20 km southwest of Quetta, this protected mountainous park features precipitous slopes, ravines, a museum, picnic spots, and rest-house accommodations.
- **Pir Ghaib:** A waterfall and picnic spot located 70 km from Quetta City in the historic Bolan Valley. It features cascade waterfalls flowing into a large, clear blue pool surrounded by palm trees within a barren environment.

Faculty of Engineering & Architecture

Established in 2004, the faculty is located at the BUIITEMS Takatu Campus, named after the Takatu Mountain in Quetta. Engineering education here focuses on exploiting natural resources by producing well-trained engineers for industries such as oil and gas, mining, dam building, construction, petrochemicals, and fertilizers.

The faculty initially opened with three departments: Petroleum and Gas Engineering, Textile Engineering, and Chemical Engineering. Since 2007, six more departments were established, including Civil Engineering, Geological Engineering, Mechanical Engineering, and Architecture. These departments offer BS, MS, and PhD degree programs. All BS Engineering programs are accredited by the Pakistan Engineering Council (PEC), and the Architecture program is accredited by the Pakistan Council for Architecture and Town Planning (PCATP).

Dean's Message

"Welcome to the Faculty of Engineering and Architecture, a place where innovation meets excellence. Our faculty is committed to providing a rigorous academic environment that combines strong theoretical foundations with cutting-edge research and real-world practice. We offer programs that inspire curiosity, foster critical thinking, and equip students with the skills needed to address the challenges of tomorrow... In alignment with the university's mission, we place a strong emphasis on instilling ethical values, professional integrity, and social responsibility in our students..." — **Prof. Dr. Ghulamullah Khan, Dean**

Outcome Based Education (OBE)

What is OBE?

Outcome-Based Education (OBE) is an educational theory that structures each part of an instructional system around goals (outcomes). By the end of the educational experience, each student should achieve the specified goals. There is no single specified style of teaching or assessment; instead, all classes and assessments are tailored to help students hit these benchmarks. OBE focuses on:

- Utilizing student learning outcomes to make explicit what a student is expected to know, comprehend, or do.
- Providing positive learning activities to help students attain Course Learning Outcomes (CLOs).
- Assessing student performance through explicit assessment criteria.

Washington Accord

Established in 1989, the Washington Accord is an international accreditation covenant for professional engineering undergraduate programs. Signatories recognize the structural equivalency of accredited programs, acknowledging that graduates have met the academic requirements for entry into professional engineering practice across member countries. The Pakistan Engineering Council (PEC) is a signatory, and to maintain member status, PEC implements OBE across all engineering degree-awarding institutes in Pakistan. BUITEMS aligns all engineering programs with the guidelines of the OBE manual.

Key Features of OBE

- Utilizes Program Educational Objectives (PEOs), Course Learning Outcomes (CLOs), and Performance Indicators (PIs).
- Objective and outcome-driven; every stated benchmark is assessed and evaluated.
- Centered around the requirements of students and key stakeholders.
- PEOs address graduate achievements 3–5 years post-graduation (focusing on Knowledge, Skills, and Attitudes).
- PLOs map directly to PEOs, and CLOs map directly to PLOs.

The 12 Graduate Attributes / Program Learning Outcomes (PLOs)

1. **Engineering Knowledge:** Apply knowledge of mathematics, science, engineering fundamentals, and specialization to solve complex engineering problems.
2. **Problem Analysis:** Identify, formulate, research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles.
3. **Design/Development of Solutions:** Design solutions for complex engineering problems and design systems, components, or processes that meet specific public health, safety, societal, cultural, and environmental needs.
4. **Investigation:** Investigate complex engineering problems methodically, including literature surveys, experiment design, data analysis, and synthesis of information.
5. **Modern Tool Usage:** Create, select, and apply appropriate techniques, resources, and modern engineering/IT tools, including prediction and modeling, with an understanding of limitations.
6. **The Engineer and Society:** Apply contextual reasoning to assess societal, health, safety, legal, and cultural issues relevant to professional engineering practice.
7. **Environment and Sustainability:** Understand the impact of professional engineering solutions in societal and environmental contexts and demonstrate knowledge of sustainable development.
8. **Ethics:** Apply ethical principles and commit to professional ethics, responsibilities, and engineering practice norms.
9. **Individual and Team Work:** Work effectively as an individual or member/leader in diverse, multifaceted, or multidisciplinary settings.
10. **Communication:** Communicate effectively, both orally and in writing, on complex engineering activities with the engineering community and society (comprehending/writing reports, making presentations, giving/receiving clear instructions).
11. **Project Management:** Demonstrate management skills and apply engineering principles to manage projects in multidisciplinary environments.
12. **Lifelong Learning:** Recognize the importance of, and pursue, lifelong learning in the context of technological innovation and developments.

•

•

Department of Architecture

The Department addresses urbanization challenges in Pakistan and the specific need for sustainable built environments and infrastructure in Balochistan. Architects design new buildings, spaces, restore old structures, and develop new uses for existing buildings.

History: Founded in September 2009 with 4 faculty members and 40 students. Today, it has 19 faculty members.

Degree Offered: 5-year Bachelor of Architecture (B. Arch).

Vision: To be among the best architecture schools, where students and teachers find their identity as professional architects, exploring, discovering, and building culture artistically with creativity and difference.

- **Mission:** Committed to training students through in-depth study and research in social, cultural, political, and historic contexts to provide comprehensive architectural design solutions for the region and Balochistan.
- **Program Educational Objectives (PEOs):**
 1. Introduce architectural fundamentals, spatial strategies, natural environment, climatology, heritage conservation, and structures.
 2. Practice research and teach theoretical and practical foundations in architecture and urbanism.
 3. Provide a fundamental understanding of the elements and principles of design.
 4. Train students to deal with integrated design, construction, and operation of built and un-built environments.
 5. Innovate within local and regional architecture contexts.

Curricular Details

- **Total Credit Hours:** 174
- **Total Courses:** 66
- **Prerequisites:** F.Sc. (Pre-Engineering) with Mathematics & Physics or equivalent with at least 50% marks; OR a Diploma in the same field with at least 60% marks. Must qualify the BUIEMS admission test and an aptitude test (covering creative thinking, writing skills, free-hand drawing) followed by an interview.

Scheme of Study by Semesters

- **Semester 1:** Foundation Studio-I, Visual Communication Skills-I, History of Architecture-I, Islamic Studies, Pakistan Studies, English-I (Functional English), Mathematics for Architects
- **Semester 2:** Foundation Studio-II, Visual Communication Skills-II, History of Architecture-II, Materials & Construction-I, Surveying & Leveling, English-II, Fine Arts

-
-

-
- **Semester 3:** Architectural Studio-I, Materials & Construction-II, Energy & Environment-I, Structure for Architects-I, History of Architecture-III, Computer Applications in Architecture-I
- **Semester 4:** Architectural Studio-II, Materials & Construction-III, Energy & Environment-II, Structure for Architects-II, History of Architecture-IV, Computer Applications in Architecture-II
- **Semester 5:** Architectural Studio-III, Materials & Construction-IV, Building Services & Systems-I, Working Drawings & Details-I, Advanced Computer Applications for Architects, Urban Planning & Design-I
- **Semester 6:** Architectural Studio-IV, Building Services & Systems-II, Interior Design, Working Drawings & Details-II, Architectural Research Methods, Urban Planning & Design-II
- **Semester 7:** Architectural Studio-V, Theory of Architecture, Advanced Architectural Presentation Techniques, Landscape Architecture, Disaster Risk Management, Elective-I
- **Semester 8:** Architectural Studio-VI, Heritage Conservation, Architecture in Pakistan, Elective-II, Elective-III
- **Semester 9:** Thesis Design-I, Quantity Surveying & Estimation, Elective-IV, Elective-V
- **Semester 10:** Thesis Design-II, Professional Practice, Elective-VI

Faculty Main Team

- **Dr. Ar. Waqas Ahmed Mahar** (Assistant Professor / Chairman): waqas.ahmed@buitms.edu.pk. PhD in Architecture & Urban Planning (University of Liège, Belgium, 2021). Vice-Chairman of IAP Quetta Chapter, member of PCATP, ICOMOS, ICICH, PIID. Focuses on sustainable architecture, thermal comfort, passive design.
- **Dr. Sohrab Ahmed Marri** (Assistant Professor): sohrab.ahmed@buitms.edu.pk. B.Arch (MUET Jamshoro), MS & PhD (PT Italy). Joined 2013.
- **Ar. Palwasha Amanullah** (Assistant Professor - On study leave): palwasha.amanullah@buitms.edu.pk. B.Arch (NCA Lahore), MS (University of London), MS (BUIEMS). Joined 2013.
- **Ar. Muhammad Sohail** (Assistant Professor): muhammad.sohail@buitms.edu.pk. B.Arch (NEDUET Karachi). Joined 2009.
- **Ar. Azra Alvi** (Assistant Professor): azra.alvi@buitms.edu.pk. B.Arch (NEDUET Karachi). Joined 2009.
- **Ar. Ariana Bazai** (Assistant Professor): ariana.bazai@buitms.edu.pk. B.Arch (Indus Valley SAA), MS (BUIEMS). Joined 2009.
- **Ar. Mamoon ur Rashid** (Assistant Professor - On Deputation): mamoon.rashid@buitms.edu.pk. B.Arch (DUET Karachi), MS (BUIEMS). Joined 2010.
- **Ar. Umer Ahmed** (Assistant Professor - EOL): umer.ahmed@buitms.edu.pk. B.Arch (NCA Rawalpindi), MS (BUIEMS). Joined 2018.

-
-

-
- **Ar. Jahangeer Khan** (Lecturer): jahangir.khan@buitms.edu.pk. B.Arch (BUITEMS), MS (BUITEMS). Joined 2015.
- **Ar. Jalal Faisal** (Assistant Professor - On Deputation): jalal.faisal@buitms.edu.pk. B.Arch (MUET), MS (BUITEMS). Joined 2011.
- **Ar. Naveed Ur Rehman Anwar** (Assistant Professor): naveed.urrehman@buitms.edu.pk. B.Arch (UET Peshawar), MS (BUITEMS). Joined 2014.
- **Ar. Tahira Shaukat** (Assistant Professor): tahira.shaukat@buitms.edu.pk. B.Arch (DUET Karachi), MS (BUITEMS). Joined 2011.
- **Ar. Adeel Zahoor** (Assistant Professor): adeel.zahoor@buitms.edu.pk. B.Arch (BUITEMS), MS (BUITEMS). Joined 2015.
- **Ar. Gullaly Javed** (Assistant Professor): gullalay.javed@buitms.edu.pk. B.Arch (UET Peshawar), PGD Arch (UET Lahore). Joined 2012.
- **Ar. Maska Khan** (Assistant Professor): maska.khan@buitms.edu.pk. B.Arch (BUITEMS), MS (BUITEMS). Joined 2015.
- **Ar. Shehroze Shah** (Assistant Professor): shehroze.shah@buitms.edu.pk. B.Arch (BUITEMS), M. Urban & Regional Planning (NUST). Joined 2019.
- **Ar. Sabeen Mehmood Durrani** (Lecturer - On study leave): sabeen.mehmood@buitms.edu.pk. B.Arch (NCA Lahore), MS (South Korea). Joined 2015.
- **Ar. Babar Khan** (Lecturer - On study leave): babar.khan@buitms.edu.pk. B.Arch (BUITEMS), MS (Italy). Joined 2018.
- **Ar. Mir Behram Khan Raisani** (Lecturer): mir.behram@buitms.edu.pk. B.Arch (BUITEMS), M.Arch (NEDUET). Joined 2022.

•

•

-

- **Ar. Asma Batool** (Assistant Professor): asma.batool@buitms.edu.pk. B.Arch (BUIITEMS). Joined 2015.
- **Ar. Syed Abdullah Sami** (Assistant Professor): syed.sami@buitms.edu.pk. B.Arch (BUIITEMS), MS (BUIITEMS). Joined 2018.
- **Ar. Sanaullah Aziz** (Lecturer): sanaullah.aziz@buitms.edu.pk. B.Arch (BUIITEMS). Joined 2022.
- **Ar. Urooj Fatima Nagi** (Lecturer): urooj.fatima@buitms.edu.pk. B.Arch (BUIITEMS), MS (BUIITEMS). Joined 2018.
- **Ar. Ali Gul Khan** (Assistant Professor): ali.gul@buitms.edu.pk. B.Arch (BUIITEMS). Joined 2019.
- **Ar. Zakir Hassan** (Lecturer): zakir.hassan@buitms.edu.pk. B.Arch (CEAD MUET Jamshoro). Joined 2022.

Department of Chemical Engineering

Chemical Engineering applies physical sciences (chemistry and physics) and life sciences along with mathematics to deliver technological processes for mineral-based industries, petrochemical plants, pharmaceuticals, synthetic fibers, and refineries.

- **History:** Founded in 2005 with 4 faculty members and 15 students. Today, it has 21 faculty members.
- **Degrees Offered:** BS and MS in Chemical Engineering.
- **Core Research Areas:** Nanotechnology, algal cultivation, biomass and bioenergy, waste management for recovery, wastewater treatment, and polymer composites.
- **Vision:** To be among the leading Chemical Engineering departments of the country, providing quality graduates for chemical industries with a focus on research and development.
- **Mission:** Committed to establishing a conducive environment for professional education and research addressing the needs of the country and region.
- **Program Educational Objectives (PEOs):**
 1. Attain professional competency in chemical engineering to address industry, R&D, and allied sector demands.
 2. Contribute to solving industrial, technological, and societal problems.
 3. Pursue professional development and technical achievements through continuing education.

Curricular Details

- **Total Credit Hours:** 136
- **Total Courses:** 48
- **Prerequisites:** F.Sc. (Pre-Engineering) or equivalent with at least 60% marks; OR a Diploma of Associate Engineer (DAE) in the same field with at least 60% marks. Must qualify the BUIITEMS admission test.
- **Assessment System:** Regulated by the PEC OBE guidelines. CLOs are typically evaluated via 4 to 6 assignments, 4 quizzes, midterms, and final exams. Lab work is assessed independently via Lab Rubrics. PEOs are formally evaluated three years post-graduation.

Scheme of Study by Semesters

- **Semester 1:** Engineering Drawing, Islamic Studies/Ethics, Pakistan Studies, Introduction to Computers, Calculus & Analytical Geometry, Organic and Inorganic Chemistry, Introduction to Chemical Engg
- **Semester 2:** Applied Physics, Workshop Practices, Computer Aided Engg Drawing, Reading and Writing Skills, Physical and Analytical Chemistry, Chemical Process Calculations-I, Linear Algebra & Differential Equations
- **Semester 3:** Particle Technology, Fluid Mechanics-I, Programming Fundamentals, Electrical Technology and Electronics, Chemical Engg Thermodynamics-I
- **Semester 4:** Chemical Process Calculations-II, Chemical Process Technology, Applied Maths in Chemical Engg, Chemical Engg Thermodynamics-II, Communication & Presentation Skills
- **Semester 5:** Separation Processes, Heat Transfer, Engineering Mechanics, Fluid Mechanics-II, Probability and Statistics, Numerical Analysis & Software Applications
- **Semester 6:** Fuels and Energy, Engineering Materials, Engineering Economics, Technical Report Writing, Chemical Reaction Engineering, Simultaneous Heat & Mass Transfer
- **Semester 7:** Chemical Plant Design, Transport Phenomena, Instrumentation & Process Control, Logical and Critical Thinking, Chemical Process Design & SIM, Project-I
- **Semester 8:** Industrial Management, Entrepreneurship, Maintenance Engg & Risk Management, Elective-I, Elective-II, Project-II

Faculty Main Team

- **Dr. Muhammad Amin** (Associate Professor / Chairman): muhammad.amin@buitms.edu.pk. PhD (Prince of Songkla University, Thailand, 2019), Master's (University of Moratuwa, Sri Lanka, 2015), BSc (BUITEMS, 2010). Founder of PICHE BUITEMS Chapter. Focuses on renewable energy, heat transfer, plant design.
- **Dr. Muhammad Najam Khan** (Professor / GS Coordinator FoE&A): najam.khan@buitms.edu.pk. B.E (DCET Karachi), MS (University of Adelaide, Australia), PhD (AIT Bangkok, Thailand). Joined 2006.
- **Dr. Asadullah Baloch** (Professor): asad1562000@yahoo.com. B.Sc (University of Punjab), MS (UM Sri Lanka), PhD (PSA Thailand). Joined 2007.
- **Dr. Faisal Mushtaq** (Professor): faisal.mushtaq@buitms.edu.pk. B.E (DCET Karachi), M.E (NEDUET), PhD (UTM Malaysia). Joined 2006.
- **Dr. Ghulam Ullah Kakar** (Professor): ghulamullah@buitms.edu.pk. B.E (DCET), M.E (UKM Malaysia), PhD (University of Malaya). Joined 2006.
- **Dr. Syed Kamran Sami** (Professor): kamran.sami@buitms.edu.pk. B.Sc (University of Punjab), MS leading to PhD (SKKU Korea). Joined 2007.
- **Dr. Syed Haseeb Sultan** (Associate Professor): haseeb.sultan@buitms.edu.pk. B.Sc (University of Punjab), MS (University of Gujrat), PhD (PSA Thailand). Joined 2007.
- **Engr. Zahid Naeem Qaisrani** (Assistant Professor): zahid.naeem@buitms.edu.pk. BS (BUITEMS), MS (UTP Brunei). Joined 2012.
- **Engr. Mohammad Siddique** (Assistant Professor): mohammad.siddique@buitms.edu.pk. B.E (DCET), M.E (MUET). Joined 2007.

- **Dr. Abdul Qadeer Dayo** (Associate Professor): abdul.qadeer@buitms.edu.pk. B.E & M.E (MUET), PhD (HEU China). Joined 2009.
- **Engr. Awais Sattar Ghouri** (Assistant Professor): awais.sattar@buitms.edu.pk. B.Sc & MS (University of Punjab). Joined 2012.
- **Engr. Azmat Ali Khan** (Assistant Professor - On study leave): azmat.ali@buitms.edu.pk. B.Sc (UET Peshawar), MS (PT Italy). Joined 2015.
- **Engr. Imran Khan** (Lecturer): imran.khan3@buitms.edu.pk. B.Sc (University of Punjab), MS (BUITEMS). Joined 2014.
- **Engr. Tufail Mustafa** (Lecturer - On study leave): tufail.mustafa@buitms.edu.pk. BS (BUITEMS), MS (MUET). Joined 2015.
- **Engr. Iqra Anjum** (Lecturer): iqra.anjum@buitms.edu.pk. BS & MS (BUITEMS). Joined 2016.
- **Engr. Nawab Zada** (Lecturer / CMS Focal Person): engrkhan.nawab@buitms.edu.pk. BS & MS (BUITEMS). Joined 2015.
- **Engr. Saadat Ullah Khan Suri** (Lecturer - On study leave): saadatullah.khan@buitms.edu.pk. B.Sc (NFC IET Multan), MS (University of Punjab). Joined 2016.
- **Engr. Abeera Malik** (Lecturer - On study leave): abeera.malik@buitms.edu.pk. BS & MS (BUITEMS). Joined 2016.
- **Engr. Muhammad Farooq Sajjad** (Lab Engineer): mohammad.farooq@buitms.edu.pk. B.Sc & MS (UET Lahore). Joined 2017.
- **Engr. Hafiz Muhammad Babar Munir** (Lecturer - On study leave): muhammad.babar@buitms.edu.pk. B.Sc (BZU Multan), M.Phil (UET Lahore). Joined 2016.
- **Engr. Gohram Khan** (Lab Engineer): gohrambaloch30@gmail.com. B.Sc (UET Lahore). Joined 2019.

Department of Civil Engineering

Civil engineering covers planning, design, budgeting, surveying, construction, and maintenance of physical structures and natural infrastructure like roads, bridges, canals, dams, airports, sewerage systems, pipelines, and railways.

- **History:** Established in 2008 with an initial intake of 100 students at the Takatu Campus.
 - **Degrees Offered:** BS Civil Engineering and MS Civil Engineering (offered since 2015).
- **Vision:** To make the department a Centre of Excellence in education and research on structures, environment, and highways for long-term competitiveness.
- **Mission:** To produce highly competent professionals of high ethical values, enabling them for executive positions, higher studies, life-long learning, and societal leadership.
- **Program Educational Objectives (PEOs):**
 1. Gain essential knowledge and possess adequate civil engineering skills.
 2. Establish themselves as civil engineering professionals and develop expertise through lifelong learning.
 3. Pursue research and higher studies at prestigious universities.
 4. Work effectively as responsible professionals of high ethical values independently or in teams.

Curricular Details

- **Total Credit Hours:** 136
- **Total Courses:** 47
- **Prerequisites:** F.Sc. (Pre-Engineering) with Mathematics & Physics or equivalent with at least 60% marks; OR a DAE in the same field with at least 60% marks. Must qualify the BUITEMS admission test.
- **Assessment System:** Adheres to PEC OBE guidelines. Evaluation consists of 4 to 6 assignments, 4 quizzes, midterms, and final exams. Practical work is assessed via Lab Rubrics.

Scheme of Study by Semesters

- **Semester 1:** Engineering Materials, Engineering Drawing, Reading & Writing Skills, Applied Calculus, Pakistan Studies, Islamic Studies/Ethics
- **Semester 2:** Engineering Surveying-I, Engineering Geology, Engineering Mechanics, Differential Equations, Basic Electro-Mechanical Engg, Civil Engg Drawing & Graphics
- **Semester 3:** Programming Fundamentals, Engineering Surveying-II, Mechanics of Solids-I, Engineering Economics, Fluid Mechanics-I, Quantity & Cost Estimation
- **Semester 4:** Construction Engineering, Structural Analysis-I, Soil Mechanics, Numerical Analysis, Environmental Engineering-I, Concrete Technology
- **Semester 5:** Probability and Statistics, Fluid Mechanics-II, Engineering Hydrology, Structural Analysis-II, Technical Report Writing
- **Semester 6:** Construction Management, Mechanics of Solids-II, Communication & Presentation Skills, Highway and Traffic Engineering, Organizational Behaviour, Reinforced Concrete Design-I, Transportation Planning & Engg
- **Semester 7:** Entrepreneurship, Architecture & Town Planning, Geotechnical and Foundation Engg, Reinforced Concrete Design-II, Civil Engineering Project-I
- **Semester 8:** Geoinformatics, Environmental Engineering-II, Steel Structures, Hydraulics and Irrigation Engg, Professional Ethics, Civil Engineering Project-II

Faculty Main Team

- **Dr. Muhammad Habib** (Associate Professor / Chairman): muhammad.habib@buitms.edu.pk. B.Sc (UET Lahore), Masters & PhD in Structural Engineering (HUST China). Focuses on structural dynamics, FEM, and earthquake engineering. Joined Jan 2010.
- **Dr. Zafar** (Professor / Associate Dean): engr.zafar@buitms.edu.pk. B.E (BUET Khuzdar), MS (NEDUET), PhD (Hanyang University, South Korea). Joined 2010.
- **Dr. Naik Muhammad Babar** (Associate Professor / GS Coordinator DGRC): naik.muhammad@buitms.edu.pk. B.Sc (UET Peshawar), MS & PhD (Hanyang University). Joined 2010.
- **Dr. Saeed ullah Jan Mandokhel** (Associate Professor): saeed.ullah@buitms.edu.pk. B.E (BUET Khuzdar), M.E (NEDUET), PhD (Hanyang University). Joined 2012.
- **Dr. Asad Naeem** (Assistant Professor): asad.naeem@buitms.edu.pk. B.Sc (UET Lahore), MS & PhD (SKKU South Korea). Joined 2013.

- **Engr. Nawaz Ali** (Assistant Professor): nawaz.ali@buitms.edu.pk. B.Sc (UET Taxila), M.Sc (Akita University, Japan). Joined 2010.
- **Engr. Abdullah Khan** (Assistant Professor): abdullah.khan@buitms.edu.pk. B.E (BUET Khuzdar), MS (BUITEMS). Joined 2015.
- **Engr. Syed Zafarullah Khan** (Assistant Professor - On Deputation):

- syed.zafar@buitms.edu.pk. BS & MS (BUITEMS). Joined 2015.
Engr. Shahnawaz (Lecturer): shahnawaz.khan@buitms.edu.pk. B.E (BUET Khuzdar), MS (Canada). Joined 2010.
- **Engr. Meer Hamza** (Lecturer): meer.hamza@buitms.edu.pk. B.E (BUET Khuzdar), MS (BUITEMS). Joined 2011.
- **Engr. Amira Raffique Ahmed** (Lecturer): amira.raffique@buitms.edu.pk. B.E (BUET Khuzdar), MS (BUITEMS). Joined 2011.
- **Engr. Mohammad Iqbal Tareen** (Lecturer): mohammad.iqbal@buitms.edu.pk. BS & MS (BUITEMS). Joined 2015.
- **Engr. Syed Muhammad Qaisar Farooq Shah** (Lecturer): qaisar.farooq@buitms.edu.pk. BS (BUITEMS), MS (Germany). Joined 2015.
- **Engr. Marjan Gul** (Lecturer): marjan.gul@buitms.edu.pk. BS & MS (BUITEMS). Joined 2016.
- **Engr. Zarak Khan** (Lecturer): zarak.khan2@buitms.edu.pk. B.E (SSUET), MS (Kingston University UK). Joined 2017.
- **Engr. Shehzada Muhammad Emaad Khan** (Lecturer): meer.hamza@buitms.edu.pk (listed contact text notation). BS (BUITEMS), MS (Italy). Joined 2017.
- **Engr. Muhammad Junaid Jamil** (Lecturer / CMS Focal Person): muhammad.junaid1@buitms.edu.pk. BS & MS (BUITEMS). Joined 2017.
- **Engr. Arian Khan** (Lecturer): aian.khan@buitms.edu.pk. BS (BUITEMS), ME (NEDUET). Joined 2018.
- **Engr. Samiullah Khan** (Lecturer): samiullah.khan1@buitms.edu.pk. B.E & M.E (NEDUET). Joined 2018.
- **Engr. Muhib Ullah Tareen** (Lecturer): muhib.ullah2@buitms.edu.pk. BS (BUITEMS), M.E (NEDUET). Joined 2018.
- **Engr. Aamir Mahmood** (Assistant Professor - On study leave): aamir.mahmood@buitms.edu.pk. BS & MS (VSTU Ukraine). Joined 2006.
- **Dr. Mohammad Salman Nazar** (Assistant Professor): mohammad.salman@buitms.edu.pk. B.Sc (NUST Risalpur), M.Sc (UTM Malaysia), PhD (BUT China). Joined 2013.
- **Engr. Syed Jahanzaib Shah** (Assistant Professor - On study leave): jahanzaib.shah@buitms.edu.pk. BS & MS (BUITEMS). Joined 2013.
- **Dr. Syed Nasir Shah** (Assistant Professor): syed.nasir@buitms.edu.pk. BS & MS (BUITEMS), PhD (University of Malaya). Joined 2015.
- **Engr. Mohammad Ayoub** (Assistant Professor - On study leave): nawaz.ali@buitms.edu.pk (listed contact text notation). BS & MS (BUITEMS). Joined 2016.
- **Engr. Anwaar Hazoor Ansari** (Assistant Professor - On study leave): anwaar.hazoor@buitms.edu.pk. BS (BUITEMS), M.E (NEDUET). Joined 2016.
- **Engr. Zafreen Elahi** (Lecturer - On study leave): zafrin.elahi@buitms.edu.pk. BS (BUITEMS), MS (UPM Malaysia). Joined 2015.
- **Engr. Ahsan Ali** (Lecturer - On study leave): ahsan.ali@buitms.edu.pk. BS (BUITEMS), MS (Germany). Joined 2015.

-
- **Engr. Zarak Khan Kasi** (Lecturer - On study leave): zarak.khan1@buitms.edu.pk. BS & MS (BUIITEMS). Joined 2016.
- **Engr. Syed Abdul Ghaffar** (Lecturer - On study leave): syed.ghaffar@buitms.edu.pk. BS (BUIITEMS), MS (NEDUET). Joined 2018.
- **Engr. Abdul Wakeel Khan** (Lab Engineer): abdul.wakeel@buitms.edu.pk. BS & MS (BUIITEMS). Joined 2017.
- **Engr. Ali Fahad Khan** (Lab Engineer): ali.fahad@buitms.edu.pk. BS & MS (BUIITEMS). Joined 2019.
- **Engr. Masood Ahmed** (Lab Engineer): masood.ahmed2@buitms.edu.pk. BS (BUIITEMS). Joined 2019.
- **Engr. Muhammad Irfan Ullah** (Lab Engineer): muhammad.irfan2@buitms.edu.pk. BS (BUIITEMS). Joined 2019.

Department of Geological Engineering

Geological Engineering applies engineering principles to geological materials for infrastructure design (roads, tunnels, mines) and resources exploration (water, minerals, hydrocarbons).

- **History:** Founded in 2008 with an initial batch of 33 students. Today, it has 14 faculty members.
- **Degree Offered:** BS in Geological Engineering.
- **Vision:** To be among the leading Geological Engineering departments of the country, providing quality graduates for geological and allied industries.
- **Mission:** Committed to training engineers with advanced knowledge and contemporary skills while promoting research culture and professional competence.
- **Program Educational Objectives (PEOs):**
 1. Apply technological and engineering fundamentals to geotechnical and environmental issues related to geological processes.
 2. Exhibit effective communication, teamwork, leadership skills, and technical competence to excel in careers or higher studies.
 3. Fulfill ethical, professional, and social responsibilities.

Curricular Details

- **Total Credit Hours:** 136
- **Total Courses:** 46
- **Prerequisites:** F.Sc. (Pre-Engineering / Pre-Medical / ICS) from a recognized board with at least 60% marks; OR DAE (Civil, Land and Mine Surveying, Mining) with at least 60% marks. Must qualify the BUIITEMS admission test.
- **Note:** Non-credit Fundamental Chemistry (for ICS) and Mathematics (for Pre-medical) are mandatory in the first semester. Evaluation structure is aligned with PEC OBE rules.

Scheme of Study by Semesters

- **Semester 1:** Engg Drawing & Graphics, Basic Electrical and Elec Engg, Physical

- Geology, Applied Chemistry, Calculus & Analytical Geometry, Islamic studies/Ethics, Functional English
- **Semester 2:** Mineralogy & Petrology, Introduction to Geological Engg, Differential Equations, Applied Physics, Communication Skills, Pak-Studies, Introduction to ICT, Occupational Health & Safety
- **Semester 3:** Applied Thermodynamics, Stratigraphy & Structural Geology, Linear Algebra, Fluid Mechanics, Computer Programming, Engineering Economics
- **Semester 4:** Mechanics of Material, Surveying, CS and NA, Hydrogeology, Probability & Statistics, TRW & Presentation Skills
- **Semester 5:** Engineering Geology, Intro to Geophysical Exp Tech, Geotechnical Engineering-I, Explosives Engineering, Engineering Management, Sociology for Engineers
- **Semester 6:** Petroleum Geology, Rock Mechanics, Earthquake Seismology & Risk Assessment, GIS & Remote Sensing, Environmental Geological Engineering
- **Semester 7:** Major Elective I, Tunneling & Excavation Engg, Major Elective II, Drilling Engineering, Project-I
- **Semester 8:** Major Elective III, Major Elective IV, Entrepreneurship, Project-II

Faculty Main Team

- **Dr. Shabir Ahmed** (Assistant Professor / Chairman): shabir.ahmed@buitms.edu.pk. PhD in Geotechnical Engineering (University of Wollongong, Australia, 2021). Master of Engineering (NED Karachi). BSc (UET Lahore). Previously worked with CAMEOS Consultant on small dam projects and a World Bank soil evaluation project in Balochistan.
- **Dr. Abdul Muntaqim Naji** (Associate Professor): abdul.muntaqim@buitms.edu.pk. B.Sc (UET Lahore), M.Sc & PhD (Hanyang University, South Korea). Joined 2010.
- **Mr. Shaukat Parvaiz** (Assistant Professor): shaukat.parvaiz@buitms.edu.pk. B.Sc (Hazara University), M.Sc & PhD in Geophysics (Quaid-i-Azam University). Joined 2009.
- **Engr. Imad Ali** (Lecturer): imad.ali@buitms.edu.pk. B.Sc (UET Lahore), MS (BUITEMS), PhD in Remote Sensing & GIS (University of Tabriz, Iran). Joined 2012.
- **Mr. Nasir Khan** (Lecturer): nasir_khan@buitms.edu.pk. BS (Bahria University), MS (Quaid-i-Azam University). Joined 2012.
- **Engr. Siraj Hassan** (Lecturer): siraj.hassan@buitms.edu.pk. BS & MS (BUITEMS). Joined 2013.
- **Engr. Muhammad Hasnain** (Lecturer): mohammad.hasnain@buitms.edu.pk. B.Sc (UET Lahore), MS (BUITEMS). Joined 2015.
- **Engr. Rafi Ullah** (Lecturer): rafi.ullah@buitms.edu.pk. BS (BUITEMS), M.E (UTM Malaysia). Joined 2015.
- **Engr. Barkat ullah Khan** (Lecturer): barkatullah.khan@buitms.edu.pk. BS & MS (BUITEMS). Joined 2015.
- **Engr. Asif Abbas** (Lecturer): asif.abbas@buitms.edu.pk. B.Sc Geological Engineering, MS Civil Engineering. Joined 2020.
- **Engr. Saleem Ullah** (Lecturer): saleem.ullah@buitms.edu.pk. BS (BUITEMS), MS (UET Lahore). Joined 2021.
- **Engr. Rana Muhammad Faisal Khan** (Lab Engineer): rana.muhammad@buitms.edu.pk.

- BS & MS (BUIITEMS). Joined 2020.

Department of Mechanical Engineering

Mechanical Engineering deals with processes and products ranging from small components to large plants, machinery, and vehicles, operating across manufacturing, power, medical, aerospace, oil, and resource management fields.

- **History:** Founded in 2014 with 3 faculty members and 50 students. Today, it has 11 faculty members.
- **Degree Offered:** BS in Mechanical Engineering.

- **Vision:** To be a highly reputed Mechanical Engineering department offering a unique blend of specializations and research opportunities.
- **Mission:** Committed to providing a challenge-driven academic environment to build student capacity for a competitive professional market.
- **Program Educational Objectives (PEOs):**
 1. Solve energy, manufacturing, and food sector application problems using fundamentals of mechanical engineering.
 2. Design mechanical systems using analytical thinking, modern techniques, and creative ideas.
 3. Address interdisciplinary complex problems (renewable energy and sustainability) utilizing teamwork, communication, and managerial skills.
 4. Cultivate lifelong learning and strong entrepreneurial instincts.

Curricular Details

- **Total Credit Hours:** 134
- **Total Courses:** 48
- **Prerequisites:** F.Sc. (Pre-Engineering) with Mathematics & Physics or equivalent with at least 60% marks; OR a DAE in the same field with at least 60% marks. Must qualify the BUITEMS admission test. Evaluation follows PEC OBE frameworks.

Scheme of Study by Semesters

- **Semester 1:** Applied Chemistry, Applied Physics, Calculus & Analytical Geometry, Functional English, Islamic Studies, Mechanical Workshop, Pakistan Studies
- **Semester 2:** Computer-Aided Drawing, Electrical Engineering, Engineering Materials & Metallurgy, Engineering Statics, Intro. to Computer Programming, Mechanical Engg Drawing, Thermodynamics-I
- **Semester 3:** Computer-Aided Drawing, Differential Equations, Engineering Dynamics, Engineering Mechanics, Fluid Mechanics-I, Solid Mechanics-I, Thermodynamics-II
- **Semester 4:** Basic Electronics, Linear Algebra & Transforms, Fluid Mechanics II, Machine Design-I, Solid Mechanics-II, Computer Aided Engineering
- **Semester 5:** Communication Skills, Heat & Mass Transfer, Numerical Analysis, Machine Design-II, Manufacturing Processes-I, Technical Report Writing & Presentation Skills
- **Semester 6:** Manufacturing Processes-II, Applied Statistics, Mechanics of Machines, Mechanical Instrumentation & Control, Internal Combustion Engines
- **Semester 7:** Mechanical Vibrations, Refrigeration & Air Conditioning, Health, Safety & Environment, Automation & Robotics, Power Plant, Project-I
- **Semester 8:** Professional Ethics & Entrepreneurship, Engineering Economics, Project Management, Renewable Energy System, Project-II

Faculty Main Team

- **Dr. Azmatullah Khan Sherani** (Professor / Chairman): Bachelor's in Industrial Engineering & Management (DCET Karachi, 2006). Master's in Engineering Management

(NED University, 2010). Formerly Assistant Manager QA at Peoples Steel Mills. Head of Department since Spring 2019. Focuses on Quality/Reliability and hybrid renewable energy.

- **Dr. Ali Nawaz Mengal** (Professor): ali.nawaz@buitms.edu.pk. B.Sc (UET Taxila), M.E (NEDUET), PhD (UT PETRONAS Malaysia). Joined 2006.
- **Engr. Arshad Ali** (Assistant Professor): arshad.ali@buitms.edu.pk. B.E (BUET Khuzdar), MS Metallurgical Engg, MS Industrial Engg, MS Structural Design, MS Statistics. Joined 2011.
- **Dr. Asadullah** (Assistant Professor): asadkhan1354@gmail.com. B.E (DUET), MS & PhD (Hanyang University). Joined 2020.
- **Dr. Saddam Hussain Soomro** (Assistant Professor): saddam.hussain1@buitms.edu.pk. B.E (MUET), MS & PhD (Hanyang University). Joined 2022.
- **Engr. Asif Hussain** (Lecturer): asif.hussain@buitms.edu.pk. B.E (BUET Khuzdar), MS Enrolled. Joined 2008.
- **Engr. Muhammad Adil Khan** (Lecturer - On study leave): adil.khan@buitms.edu.pk. B.E (University of Melbourne), MS (RMIT Melbourne). Joined 2018.
- **Engr. Kaleemullah Shaikh** (Lecturer): kaleem.shaikh@buitms.edu.pk. B.E (MUET Khairpur), MS (MUET Jamshoro). Joined 2017.
- **Engr. Muhammad Ayub** (Lecturer): muhammad.ayub2@buitms.edu.pk. B.E (BUET Khuzdar), ME (MUET Jamshoro). Joined 2017.
- **Engr. Zaib Shahid** (Lecturer): zaib.shahid@buitms.edu.pk. B.E (NEDUET), ME (PT Turin, Italy). Joined 2016.
- **Engr. Arsalan Yawar** (Lecturer): arsalan.yawar@buitms.edu.pk. B.E & MS (UET Taxila). Joined 2020.
- **Engr. Shabir Ahmed** (Lecturer): shabir.ahmed@buitms.edu.pk. B.E & MS (NEDUET). Joined 2021.
- **Engr. Gohar Ali** (Lecturer): gohar.ali@buitms.edu.pk. B.E (IQTM Lahore), MS (NEDUET). Joined 2021.
- **Engr. Qamar ud Din Abid** (Lecturer): qamaruddin.abid@buitms.edu.pk. B.Sc (UET Peshawar), MS (Wuhan UT China). Joined 2022.
- **Engr. Moiz Ullah** (Lecturer): moiz.ullah@buitms.edu.pk. B.Sc (University of Punjab), ME (NEDUET). Joined 2022.
- **Engr. Suleman Khan** (Lab Engineer): suleman.khan@buitms.edu.pk. BS (BUITEMS). Joined 2019.

Department of Mining Engineering

Mining Engineering focuses on the discovery, evaluation, exploitation, development, and processing of minerals. Career avenues include hard rock mining, coal mining, gems, underground structures, valuations, and state mines management.

- **History:** Founded in 2008 with 4 faculty members and 22 students. Today, it has 16 faculty members.
- **Degrees Offered:** BS and MS in Mining Engineering (BS-MNE).
- **Mission:** Striving for a high-quality undergraduate program supported by an advanced curriculum and applied research to produce technically competent, environmentally friendly mining graduates.

- **Program Educational Objectives (PEOs):**
 1. Recognize, investigate, and address engineering problems related to the exploitation of mineral deposits using modern techniques.
 2. Exhibit high-level technical competency, applying research and problem-solving skills to mining engineering fields.
 3. Exercise professional excellence with a focus on workplace safety, environmental sustainability, and ethical principles.
 4. Persuade lifelong learning models to address complex mining issues.

Curricular Details

- **Total Credit Hours:** 140
- **Total Courses:** 43
- **Prerequisites:** F.Sc. (Pre-Engineering) or equivalent with at least 60% marks; OR a DAE in the same field with at least 60% marks. Must qualify the BUITEMS admission test. Fully structured under PEC OBE manuals.

Scheme of Study by Semesters

- **Semester 1:** Analytic Geometry & Calculus, Applied Chemistry, Applied Physics, Islamic Studies/Ethics, English Composition & Comprehension, Engineering Drawing & Graphics
- **Semester 2:** Differential Equations, Applied Thermodynamics, Applied Geology, Professional Ethics, Engineering Mechanics, Basic Electrical Technology
- **Semester 3:** Fluid Mechanics, Mine Surveying, Linear Algebra, Pakistan Studies, Mechanics of Materials, Structural Geology
- **Semester 4:** Communication Skills, Computer Programming, Probability & Statistics, Report Writing Skills, Numerical Methods in Computing, Mineral Exploration
- **Semester 5:** Explosives Engineering, Entrepreneurship, Cement Technology, Surface Design, Rock Mechanics, Coal Technology, Drilling Technology
- **Semester 6:** Mine Machinery, Technology of Mining [Text structured via vertical sequence]
- **Semester 7:** Mine Ventilation, Mineral Processing, Engineering Economics, Organizational Behavior, Senior Design Project-I
- **Semester 8:** Underground Mine Design, Mine Hazards & Safety, Engineering Management, Tunnel Engineering, Senior Design Project-II, First Aid Course, Mining Laws

Faculty Main Team

- **Dr. Hafeezur Rehman** (Associate Professor / Chairman): hafeezur.rehman@buitms.edu.pk. Graduation (UET Peshawar, 2007), Master & PhD (Hanyang University, South Korea, 2020). Specializes in tunnel design at great depths and advanced rock mass environment modeling. Published 30+ papers. Joined Jan 2013.
- **Dr. Fahim Ahmed Ibupoto** (Assistant Professor): fahim.ahmed@buitms.edu.pk. B.E (MUET), MS leading to PhD (SKKU South Korea). Joined 2012.
- **Engr. Zaheer Ahmed** (Assistant Professor): zaheer.kasi@buitms.edu.pk. B.Sc (UET Lahore), MS (AU Japan). Joined 2010.

- **Dr. Muhammad Bilal** (Assistant Professor): muhammad.bilal1@buitms.edu.pk. BS & MS (BUITEMS), PhD (HU Japan). Joined 2013.
- **Dr. Wahid Ali** (Assistant Professor): wahid.ali@buitms.edu.pk. B.Sc & MS (UET Peshawar), PhD (UTM Malaysia). Joined 2014.
- **Engr. Muhammad Ali** (Assistant Professor - On study leave):

- mohammad.ali@buitms.edu.pk. B.Sc & MS (UET Peshawar). Joined 2015.
Engr. Fawad Ul Hassan (Assistant Professor): fawad.hassan@buitms.edu.pk. B.Sc (UET Peshawar), MS (BUIEMS). Joined 2015.
- **Engr. Sher Bacha** (Assistant Professor - On study leave): sher.badshah@buitms.edu.pk. B.E & MS (UET Peshawar). Joined 2015.
- **Engr. Abdullah Rasheed Qureshi** (Lecturer): abdullah.rasheed@buitms.edu.pk. B.E (MUET), MS (CUMT China). Joined 2011.
- **Engr. Naseer Muhammad Khan** (Lecturer - On leave): naseer.muhammad@buitms.edu.pk. B.Sc & MS (UET Peshawar). Joined 2015.
- **Engr. Tufail Ahmed** (Lecturer): tufail.ahmad@buitms.edu.pk. BS & MS (BUIEMS). Joined 2016.
- **Engr. Abbas Hussain** (Lecturer): abbas.hussain@buitms.edu.pk. BS & MS (BUIEMS). Joined 2016.

Department of Petroleum and Gas Engineering

Petroleum engineering concerns maximum sustainable extraction of hydrocarbon elements from deep-surface reservoirs, requiring deep mastery over drilling, logistics, production, and structural reservoir simulation.

- **History:** Launched in 2004 with 2 faculty members and 50 students. Today, it has 14 faculty members.
- **Degree Offered:** BS in Petroleum & Gas Engineering.
- **Vision:** Recognized as a "Centre of Excellence in Petroleum & Gas Engineering" of the country, producing technically sound petroleum engineers to fuel the indigenous and global petroleum industry.
- **Mission:** To cultivate industrious engineers for national and international petroleum sectors by providing advanced technical knowledge, values, and research services.
- **Program Educational Objectives (PEOs):**
 1. Address complex engineering problems and sustainable development of conventional and unconventional reservoirs via professional teamwork, communication, and managerial skills.
 2. Fulfill foundational steps and necessary skills for higher studies and cutting-edge research.
 3. Adopt a symbiotic environment focused on strong moral values, commercial insights, and lifelong learning.

Curricular Details

- **Total Credit Hours:** 136
- **Total Courses:** 44
- **Prerequisites:** F.Sc. (Pre-Engineering) or equivalent with at least 60% marks; OR a DAE in the same field with at least 60% marks. Must pass the BUIEMS admission test. Aligned with PEC OBE instructional systems.

• Scheme of Study by Semesters

- **Semester 1:** Fundamentals of Petroleum Engg., Applied Geology, Applied Mathematics-I, Applied Physics, Functional English, Workshop Practice
- **Semester 2:** Communication & Presentation Skills, Islamic Studies/Ethics, Pakistan Studies, Applied Mathematics-II, Applied Chemistry, Engineering Drawing, Introduction to Computer Programming
- **Semester 3:** Technical Report Writing, Applied Mathematics-III, Fluid Mechanics, Principles of Electrical Engineering, Petroleum Geology & Geophysical Exploration, Applied Thermodynamics
- **Semester 4:** Applied Statistics, Mechanics of Materials, Drilling Engineering-I, Petrophysics, Introduction to Sociology
- **Semester 5:** Applied Numerical Methods, Properties of Reservoir Fluids, Drilling Engineering-II, Environment and Safety Management, Instrumentation & Process Control
- **Semester 6:** Introduction to Unconventional Resources, Well Logging, Reservoir Engineering-I, Petroleum Production Engineering-I, Petroleum Refinery Engineering
- **Semester 7:** Project Part-I, Project Planning and Management, Well Testing, Petroleum Production Engg-II, Reservoir Simulation
- **Semester 8:** Project Part-II, Natural Gas Engineering, Engineering Economics, Principles of Enhanced Oil Recovery, Reservoir Engineering-II

Faculty Main Team

- **Dr. Azizullah Shaikh** (Assistant Professor / Chairman): hafiz.azizullah@buitms.edu.pk. B.E in Petroleum & Natural Gas Engineering (UET Jamshoro, 2006). Formerly Assistant Manager at Al-Abbas Cement Industry for six years. Completed PhD in "Oil-Gas Field Development Engineering" (China University of Petroleum, 2021). Expertise in CO₂-sensitive clean fracturing fluids and EOR. Joined 2007.
- **Engr. Zafarullah** (Assistant Professor): zafar.abro@buitms.edu.pk. B.E & M.E (MUET Jamshoro). Joined 2008.
- **Engr. Imtiaz Ali** (Assistant Professor - On Study Leave): imtiaz.ali@buitms.edu.pk. BS (BUITEMS), MS (King Saud University, Saudi Arabia). Joined 2014.
- **Engr. Allah Bakhsh** (Assistant Professor): allah.bakhsh@buitms.edu.pk. BS (BUITEMS), M.E (MUET Jamshoro). Joined 2015.
- **Engr. Muhammad Yaqoob Khan** (Lecturer): yaqoob.khan@buitms.edu.pk. BS (BUITEMS), MS (Sabanci University, Turkey). Joined 2009.
- **Engr. Shahpur Azam** (Lecturer): shahpurazam@buitms.edu.pk. B.Sc (UET Lahore), M.E (NEDUET). Joined 2012.
- **Engr. Syed Jamal ud din** (Lecturer): syed.jamal@buitms.edu.pk. BS (BUITEMS), MS (CUP China). Joined 2012.
- **Engr. Nouman Zobby** (Lecturer): nouman.zobby@buitms.edu.pk. BS (BUITEMS), M.E (Akita University, Japan). Joined 2015.
- **Engr. Zeeshan Khan** (Lecturer): zeeshan.khan@buitms.edu.pk. B.Sc (UET Lahore), MS (BUITEMS). Joined 2015.
- **Engr. Rehan Mansoor** (Lecturer - On Study Leave): rehan.mansoor@buitms.edu.pk. B.Sc (UET Lahore), M.E (UTM Malaysia). Joined 2015.

-
- **Engr. Najeeb Ullah Khan** (Lecturer): najeeb.ullah2@buitms.edu.pk. BS & MS (BUIITEMS). Joined 2015.
- **Mr. Muhammad Yasir** (Lecturer): muhammad.yasir1@buitms.edu.pk. BS (BUIITEMS), MS (University of Sunderland, UK). Joined 2018.
- **Engr. Usama Ahmed Khan** (Lecturer): yaqoob.khan@buitms.edu.pk (listed contact text notation). B.E (MUET), MS (Khazar University, Azerbaijan). Joined 2018. **Engr. Saud Ahmed Shah** (Lab Engineer): saud.ahmed@buitms.edu.pk. B.E (UET Lahore). Joined 2017.

Department of Textile Engineering & Design

Textile Engineering reveals structural configurations between raw materials, processing lines, and physical fabric dynamics to secure desired aesthetic or industrial attributes.

- **History:** Founded in 2004 with 3 faculty members and 20 students. Today, it has 11 engineering faculty members.
- **Degrees Offered:** BS Textile Engineering, MS Textile Engineering, and BS Fashion & Textile Design.
- **Vision:** To be the leading textile department for Center of Excellence in education and research.
- **Mission:** To provide professional training, promoting social responsibility, values, and a progressive research culture to create sustainable solutions preserving the environment.
- **Program Educational Objectives (PEOs):**
 1. Implement real-world applications utilizing fundamental engineering knowledge, designs, and management skills.
 2. Generate innovative and sustainable solutions to complex problems contributing to the textile industry.
 3. Advance careers through interpersonal traits, leadership strategy, and deep understanding of technological, socio-economic, environmental, and ethical challenges.

Curricular Details

- **Total Credit Hours:** 136
- **Total Courses:** 50
- **Prerequisites:** F.Sc. (Pre-Engineering / Pre-Medical / ICS) or equivalent with at least 60% marks; OR a DAE (Textile Engineering) with at least 60% marks. Must qualify the BUIITEMS admission test. Aligned with PEC OBE manuals.

Scheme of Study by Semesters

- **Semester 1:** Linear Algebra & Geometry, Applied Chemistry, Applied Physics, Textile Raw Materials-I, Functional English, Introduction to Textile Engg

-
- **Semester 2:** Calculus-I, Engineering Drawing & Graphics, Engineering Mechanics, Textile Raw Materials-II, Islamic Studies, Introduction to Computing, Communication Skills, Thermodynamics
- **Semester 3:** Calculus-II, Fibre Science, Machine Design, Pakistan Studies, Spinning Preparatory Process, Fabric Manufacturing-I
- **Semester 4:** Statistics and Probability, Electrical & Electronic Engg Fundamentals, Professional Ethics, Yarn Production Process, Fabric Manufacturing-II
- **Semester 5:** Organizational Behavior, Technical Writing and Presentation Skills, Spinning Planning & Production, Weave Designs & Calculation, Pre-treatments in Textile Wet Processing, Garments Manufacturing Fundamentals

- **Semester 6:** Operations & Project Management, Process Systems & Control, Textile Dyes & Dyeing, Anthropometry & Clothing Construction, Technical Textiles, Textile Utilities & Services, Color Science
- **Semester 7:** Engineering Economics, Merchandising, Computer Applications in Textiles, Mechanism of Garment Machines, Sewn Production Engineering, Denim Technology, Design Project-I
- **Semester 8:** Entrepreneurship, Textile Testing & Quality Control, Environmental Issues & Control, Textile Printing & Finishing, Design Project-II

Faculty Main Team

- **Dr. Muhammad Qasim Siddiqui** (Professor / Chairman): qasim.siddiqui@buitms.edu.pk. PhD in Textile Engineering. Over 15 years of experience in textile innovations, yarn manufacturing, and spinning lines. Founder of the Natural Fiber Company, converting agricultural waste (banana stems) into eco-friendly handcrafted fibers. Recipient of the UNDP SDG Award, ITC GRASP Award, and Prime Minister's Innovation Award.
- **Dr. Syed Zameer ul Hassan** (Professor): syed.zameer@buitms.edu.pk. B.Sc (NTU Faisalabad), MS & PhD (Technical University of Liberec, Czechia). Joined 2006.
- **Engr. Muhammad Ali Zeeshan** (Assistant Professor / CMS Focal Person): engr.zeeshan@buitms.edu.pk. B.Sc (NTU Faisalabad), MS (BUITEMS). Joined 2004.
- **Engr. Muhammad Kashif** (Assistant Professor): mohammad.kashif@buitms.edu.pk. B.Sc, MS, and PhD (NTU Faisalabad). Joined 2006.
- **Dr. Ali Asghar** (Professor - EOL): ali.asghar@buitms.edu.pk. B.Sc (NTU Faisalabad), MS & PhD (UiTM Malaysia). Joined 2007.
- **Dr. A. Malik Rehan Abbasi** (Associate Professor): rehan.abbasi@buitms.edu.pk. B.Sc (NTU Faisalabad), MS & PhD (Technical University of Liberec, Czechia). Joined 2005.
- **Dr. Ahmer Hussain Shah** (Associate Professor): ahmer.shah@buitms.edu.pk. B.E & M.E (MUET Jamshoro), PhD (Harbin Engineering University, China). Joined 2010.
- **Engr. Nazakat Ali Khoso** (Assistant Professor): nazakat.ali@buitms.edu.pk. B.E & M.E (MUET Jamshoro). Joined 2011.
- **Engr. Syed Qutaba Bin Tariq** (Assistant Professor): syed.qutaba@buitms.edu.pk. BS (BUITEMS), M.E (NEDUET), PhD (UMP Malaysia). Joined 2015.
- **Dr. Saif Ullah Khan** (Assistant Professor): saifullah.khan1@buitms.edu.pk. BS & MS (BUITEMS), PhD (Toulouse INP, France). Joined 2015.
- **Engr. Lubna Syed** (Lecturer): lubna.syed@buitms.edu.pk. B.Sc (NTU Faisalabad), MS (BUITEMS). Joined 2007.
- **Engr. Qurat-ul-ain Arif** (Lecturer - On Study Leave): quratulain.arif@buitms.edu.pk. BS & MS (BUITEMS). Joined 2012.
- **Engr. Raazia Ismat** (Lecturer): razia.asmat@buitms.edu.pk. B.Sc (NTU Faisalabad), MS (BUITEMS). Joined 2013.
- **Engr. Ali Raza Shafqat** (Lecturer - On Study Leave): ali.raza2@buitms.edu.pk. B.Sc & MS (NTU Faisalabad). Joined 2016.
- **Ms. Maliha Khan Tareen** (Lecturer): maliha.khan@buitms.edu.pk. B. Fashion Design (PIFD Lahore). Joined 2019.
- **Ms. Afshan Ambreen** (Lecturer): 16december1981@gmail.com. B. Textile Design (NCA Lahore). Joined 2018.

- **Ms. Elaha Ahmed** (Lecturer): elaha.ahmed@buitms.edu.pk. B. Fashion Design (PIFD Lahore). Joined 2021.
- **Ms. Misbah Hamad** (Lecturer): misbah.hamad@buitms.edu.pk. B. Textile Design (LCWU Lahore). Joined 2022.

BS Fashion & Textile Design

The degree maps out hands-on sensitivity for innovative draping, custom weaving profiles, graphic lines, pattern modeling, and advanced fabric design.

- **History:** Offered since Fall 2018 under the Department of Textile Engineering.
- **Degree Offered:** 4-year BS in Fashion & Textile Design.
- **Achievements:** Won first prize in the All Pakistan DICE Textile Design Competition (March 2020) and 3rd position in the Facemask Competition organized by the European Union.
- **Aim of the Program:** Strives to create the next generation of highly skilled designers and entrepreneurs tailored to both local and international market frameworks.
- **Curricular Details:**
 - *Total Credit Hours:* 135
 - *Total Courses:* 60
 - *Prerequisites:* Intermediate or equivalent with at least 45% marks from any recognized board. Admissions are awarded based on NTS, aptitude tests, freehand drawing, and a descriptive interview.

Scheme of Study by Semesters

- **Semester 1:** Functional English, Islamic Studies, Basic Drawing, Digital Communication, Textile Basics, Geometry & Drafting, Basic Color & Design, History of Arts and Culture
- **Semester 2:** Communication Skills, Pakistan Studies, Figure Drawing-I, Textile Raw Material, Pattern Drafting, Hand Sewing & Embellishment, History of Arts & Culture-2, Yarn Making & Design, Advanced Color & Design
- **Semester 3:** Creative Writing & Public Speaking, History of Costume, Foreign Language, Figure Drawing-II, Textile CAD, Weave Structure & Design, Pattern Making-I, Sewing-I, Textile Design
- **Semester 4:** Garment Manufacturing Fundamentals, Pattern Making-II, Draping-I, Fashion Design-I, Dyeing and Printing, Sewing-II, Knitwear Construction Design, Textile CAD-II
- **Semester 5:** Pattern Making-IV, Draping-II, Fashion Design-II, Technical Textiles, Clothing Productivity & Quality Management, Sewing-III, History of Costume II, Textile Finishing Techniques, Digital Design
- **Semester 6:** Digital Design I, Draping-III, Pattern Making V, Contemporary Textiles, Fashion Design-III, Sewing-IV, Advanced Textile Materials & Application, Apparel Costing, Advances in Apparel Production
- **Semester 7:** Research and Dissertation Writing, Denim Product Development, Entrepreneurship, Product Design & Execution (Mini Thesis), Marketing and Merchandising
- **Semester 8:** Studio Execution, Thesis Dissertation

Traveling to BUIITEMS

Quetta is the capital city of Balochistan and sits at an average altitude of 1,680 m, making it easily accessible by modern transportation infrastructure.

Road Distances to Quetta

- **Karachi:** 698 Km (686 km via National Highway N25)
- **Multan:** 622 Km
- **Peshawar:** 827 Km (835 km via N50 and N55)
- **Lahore:** 960 Km (935 km via N70 and N5; 980 km via N50)
- **Islamabad:** 911 Km via N50 (Map contains a separate layout entry: 9898 Km) • **Gilgit:** 1373 Km

Transit Pathways

- **By Air:** BUIITEMS is located 3 km away from Quetta International Airport, which provides round-the-clock nationwide and international connectivity.
- **By Train:** Quetta Railway Station links to Karachi via an 863 km track, Lahore (1,170 km), and Peshawar (1,587 km) via extensive networks established since the 1890s.

Campus Map Legend

- **A:** Main Entrance to the Campus
- **B:** HBL BUIITEMS Branch
- **C:** Cafeteria
- **D:** Blue Chip Lab
- **E:** Academic/Admission Admin Block
- **F:** Entrance Gate to the Campus
- **G:** Sir Syed Block A
- **H:** Sir Syed Block B
- **I:** Hall One
- **J:** Library
- **K:** Pro VC Secretariat
- **L:** Tuck Shops
- **M:** CAD/CAM Research Hall
- **N:** JICA Hall
- **O:** AG Hall
- **P:** Parking
- **Q:** Textile Labs & Studios
- **R:** Arfa Karim Randhawa Expo Centre
- **S1:** Orange Hall
- **S2:** Pink Hall
- **S3:** Purple Hall
- **S4:** Green Hall
- **T:** National Incubation Centre Quetta
- **U:** Directorate of UA & FA

- **V:** Jinnah Hall
- **W:** Iqbal Hall
- **X:** Sports Complex
- **Y:** Markhor Auditorium
- **Z:** Mosque
- **AA:** VC Secretariat
- **AB:** Cricket Ground
- **AC:** Football Ground
- **AD:** Medical Unit
