

Overview

BUIITEMS (Balochistan University of Information Technology, Engineering and Management Sciences) is a premier educational institution in Pakistan. Its foundations are built on principles of academic excellence, equity, equality, sincerity of purpose, and a forward-looking vision. The university operates as a community of professionals dedicated to preparing future leaders. Notably, BUIITEMS has been declared the **Global Hub for Sustainable Development Goal 8** (Decent Work and Economic Growth) by the United Nations Academic Impact.

Vision and Mission

- **Vision:** To be among the leading universities of the world — accessible to all, imparting quality education, and promoting cutting-edge research.
- **Mission:** Committed to providing quality education with a focus on research, equipping students to be productive members of society, and contributing to the socio-economic uplift of Pakistan in general, and Balochistan in particular.

Leadership

- **Chancellor:** Sheikh Jaffar Khan Mandokhail
- **Vice Chancellor:** Prof. Dr. Khalid Hafeez (T.I.)

Campuses

The university operates across several physical campuses, each with specific academic focuses:

1. **Takatu Campus:** Houses the faculties of Information and Communication Technology, Biotechnology and Informatics, Social Sciences and Humanities, Basic Sciences, and Engineering and Architecture.
2. **City Campus:** Dedicated to the faculty of Management Sciences.
3. **Chiltan Campus:** Features research farms and laboratories related to Life Sciences.
4. **Regional Campuses (Muslim Bagh Campus & University College of Zhob):** Offer courses in economics, computing, and management sciences.
