

BUIITEMS Scholarships Overview

Balochistan University of Information Technology, Engineering and Management Sciences is an equal opportunity institution, open to all students who are qualified to seek higher education and willing to work hard irrespective of their financial status. The university offers freeships to the highest grade achievers in every program based on merit. 10% of the top students are allowed fee concession every semester based on their previous semester examination GPA. So every diligent and industrious student has the opportunity of getting free/ subsidized education based on merit.

Students from extremely weak financial backgrounds are also compensated and provided monetary assistance in the form of fee concession, which ranges between 25%-100%. Besides, 5% of the students are given fee waiver in the form of the Work-Study Program.

Types of Scholarships

There are a number of scholarships that can facilitate you during your studies:

- Merit Scholarship
- Fee waivers
- BUIITEMS Kinship/Sibling
- Work & study
- Donors' scholarships

Moreover, various donors are also supporting our studious students in the form of scholarships. Some donors providing scholarships to BUIITEMS students include: Higher Education Commission of Pakistan has also made various arrangements to facilitate and accommodate the needy but meticulous students in the form of scholarships offered by the various organizations.

Announcements

Call for Applications: Research Grants for MS/MPhil Students

Under the Women Aligned for Sustainable Youth Centered Livelihood Action (WASYLA) Project Islamic Relief Pakistan, under its WASYLA Project, invites applications from MS/MPhil students of BUIITEMS who belong to poor or ultra-poor backgrounds to apply for research grants. These grants aim to support research related to four key outcomes of the WASYLA initiative, including the Poverty Graduation Model.

Key Research Areas:

Students are expected to conduct research in alignment with one or more of the following themes:

- Poverty Graduation Model: Exploring sustainable livelihood solutions and resilience mechanisms for ultra-poor households.
- Women Empowerment: Socioeconomic uplift of women through targeted livelihood interventions.
- Youth-Centered Livelihoods: Inclusion of unemployed youth in skills development and employment opportunities.
- Community-Led Development: Participatory approaches that enhance local decision-making and ensure culturally appropriate and sustainable development.

Eligibility Criteria:

- Must be currently enrolled in an MS/MPhil program at BUIITEMS.
- Must belong to a poor or ultra-poor background.
- Research must be aligned with one or more of the four WASYLA project outcomes (as detailed in the Terms of Reference—TORs).

How to Apply:

Interested candidates must submit a complete application available at University Tuck Shop along with approved synopsis.

Submit To: Ms. Birah Khalid, Financial Aid Office, UAFA, BUIITEMS

For detailed TORs and further information, please visit or contact the Financial Aid Office.
